"The more I learn about the world in which I live the closer I grow to God"

Dear Parents and Children of St. Albert the Great,

We had a very active week at school last week. Each day there were different healthy living activities including skipping, tag rugby, speed stacking and healthy living lessons. All the fantastic skills were on show on Friday when we celebrated our sports day. It was wonderful to see so many parents at the event and joining in with the family picnic. It was a great occasion for all and there were smiles all round during the activities. Thank you to all the helpers during the week especially on Friday, I think the children were ready for a good sleep by the end of the week!

This week Year 6 are heading to St Cuthbert Mayne school for a life skills day as they continue to prepare for Year 7. We will be welcoming our new parents and children into St Albert's when we have the Foundation Stage open morning. It's hard to believe we are almost at the end of the school year but all the children are looking so grown up now and ready to move on to their new classes so it will be great to welcome our new families on Friday morning. Please note that the Year 4 class assembly has been postponed to Wednesday 7th July at 9.10am and we will have good news assembly on Thursday this week.

I wish you a good week,

Rachel Gallagher
Deputy Head Teacher

Prayer of the Month

Whatever is true,
Whatever is honourable,
Whatever is just,
Whatever is pure,
Whatever is lovely,
Whatever is gracious...
If there is anything worthy of praise
Think about these things.
